

Aluminum Tubing Coils

Premier Aluminum Tubing Supplier

Webco supplies aluminum tubing in coils, straight lengths, and cut pieces. Our stock material is available in level wound coils which can be precision-cut in house to specific lengths. In addition, we offer aluminum extruded shapes to meet your unique requirements. We provide straight lengths and coils in 2024, 3000, 5000, 6000 and 7075 series grades in a variety of tempers.

Webco stocks 50-ft.-long coils that are individually packaged, boxed, and available for quick shipment. Stock coils are manufactured in the US to ASTM B483, 3003 Grade, 'O' Temper for easy flaring and workability.

Aluminum Tubing Applications

Our customers depend on Webco aluminum products for a wide variety of uses, including but not limited to the following applications:

- > Instrumentation
- > Stoves and appliances
- > Gas welding equipment
- > Vacuum lines
- > Laboratories and industrial plants
- > Gas, alcohol, kerosene, oil or water lines
- > Utility coils

Part Number	Outside Diameter	Wall Thickness	Weight per Coil
